Characteristics

The hotel is housed in an attractive, classical building that retains the character of its origins in 1913 and is located in the middle of Valencia's historic centre. It is located next to Plaza del Ayuntamiento and is close to interesting places such as the cathedral, the central market, Lonja, Museo de Cerámica and Teatro Principal. It is the perfect base for leisure as well as business and is just 300 metres from the train station, 150 metres from the underground that goes directly to the airport, and offers easy access to the City of Arts and Sciences. It is also characterised by the marvellous gastronomic and cultural offerings of its surroundings, as well as the most commercial streets where guests can go shopping.

It offers 96 comfortable rooms that have remained true to the hotel's style and offer Wi-Fi and

high speed Internet connections. The hotel's facilities include four conference rooms for between 10 and 80 people, a bright restaurant that specialises in rice dishes and offers a popular lunchtime buffet during the week, and a relaxing English bar where guests can enjoy a drink.
